OU-JLIC Couples

These couples have either met through our programs or were set up by the Boshnacks

Testimonials

“The JLIC program at Brooklyn College is in nothing short of amazing. They bring Judaism to the students in the most incredible ways. With all the love and dedication that the members of JLIC have shown, the students of Brooklyn College have been given the gift of Judaism right in the palm of their hands.”

~Albert Cohen, Sophomore

“OU-JLIC in Brooklyn College has enhanced my college experience. The Boshnacks have been very friendly, welcoming & loving. Learning with Shira each week has been eye opening and I am very grateful for all the experiences that OU-JLIC has given me.”

~Bracha Roth, Sophomore

“Rabbi and Shira have been there for us from the very beginning of our marriage; guiding us religiously, spiritually, and mentally. They continue to play a vital role in our lives as well as the community. “

~ Michal (Class of 2016) and Joey Cohen (Class of 2010)

“OU-JLIC and the Boshnacks are an amazing resource on campus and off. Between shiurim, learning and various events they provide a much needed anchor to our roots while in a secular school. They are always there for us, whenever and however we might need them.”

~ Shmuel and Chaya Lamm, Junior

“The Boshnacks epitomize Ahavas Yisroel in all that they do. The Rabbi's sweet words of wisdom and the Rebbetzin's loving smile show every student that to be part of am Yisroel is to be loved. “

~ Zelig Steiner, Junior

“There is no doubt that Rabbi Reuven and Shira Boshnack have helped us grow as individuals and as a couple. Shira and Rabbi are always there for me, to answer any questions, no matter how late the hour. The Boshnack's were an integral part of our Jewish college experience and continue to be a part of our lives , years later. And we're so thankful to have them as mentors and as friends.”

~ Michael (Class of 2009) and Michelle Sabo, (Class of 2010)

Celebrating 10 years with the Boshnacks

OU~JLIC, strives to engage students navigating the university environment while balancing their Jewish life. In addition, OU~JLIC educates and provides avenues for spiritual development and exploration for Jewish students from varied backgrounds. OU~JLIC presents a sophisticated and welcoming face on campus.

We strive to inspire young adults to take ownership and responsibility for their Jewish lives in their communities. We sponsor, organize and run Shabbatonim, Onegs, Shabbos and Yom Tov programming, classes, shidduchim, trips, and other activities for Jewish students and alumni in Brooklyn.

This year alone, we have hosted more than 710 Shabbos guests, answered 823 Shailos, had more than more than 924 deep, meaningful conversations, had 27 Shalosh Seudos, delivered 79 Shiurim and attended over 63 weddings.

We hope you will join us on our mission, changing the face of Jewish Life on campus, and inspiring the next generation.
